Subject: 2019-2022 MEMORANDUM OF UNDERSTANDING FOR THE TECHNICAL RANK AND FILE UNIT (MOU 21) – TECHNICAL CORRECTIONS (C.F NO. 14-0407)

The 2019-2022 Memorandum of Understanding (MOU) between the City of Los Angeles and the Engineers and Architects Association (EAA), for the Technical Rank and File Unit (MOU19) contains the following technical errors that require correction:

1. **ARTICLE 6.13 ON-CALL/STANDBY COMPENSATION**

   Article 6.13 shall be clarified by adding the effective date which was inadvertently omitted. In addition, previous language that was inadvertently removed shall be included. The article should reflect the bold language as shown below:

   **Effective the first full pay period following City Council adoption, any employee in this bargaining unit shall receive standby compensation at the rates specified below when assigned by management to standby during their off hours.**

   A. Employees assigned to standby on weekends and holidays shall receive $60.00 for each day of such assignment.

   B. Employees assigned to standby at all other non-work schedule hours shall receive $40.00 for each day of such assignment.

   C. Management is responsible for reviewing and monitoring the need for an assignment of on-call/standby designations.

   Whenever an employee on standby is required, as part of their on-call/standby assignment to remotely or off-site troubleshoot or participate in job-related tasks, shall receive compensation of no less than one hour at the appropriate hourly rate. If the remote task(s) exceed one hour in duration, the employee shall be compensated in six minute increments at the appropriate hourly rate.
Persons employed in the Police Department in the Photographer, Polygraph Examiner and Forensic Print Specialist series (for all paygrades) when required to be on-call/standby by a designated representative of the Chief of Police, shall receive, in addition to any other compensation provided for herein, one hour straight time compensation for each eight hours that they are required to be on-call/standby, except for standby assignments on Saturdays, Sundays or City Holidays as listed in Article 7.5 - A of this MOU, for which they shall receive one hour straight time compensation for each six hours that they are required to be on standby.

Assignment of an electronic communication device does not constitute worked time. If an hourly employee is contacted, they shall only be compensated according to the On-Call/Standby article of the MOU.

2. **SALARY APPENDIX A**

Appendix A inadvertently listed an incorrect effective date. The correct effective date for Appendix A should read as **June 23, 2019**.

3. **SALARY NOTE 9**

Salary Note 9 shall be updated to include previous language that was inadvertently removed. The salary note should reflect the bold language as shown below:

**Salary Note 9:** Persons employed in the class of Materials Testing Technician, Code 7968, in the Soils Laboratory of the Department of General Services, who are responsible for the collection of toxic soils samples, when assigned to perform such duties during any part of the day shall receive a daily bonus of $15.00 for each day so assigned.

Persons employed in the class of Materials Testing Technician, Code 7968, who are assigned to perform ultrasonic weld testing at City construction sites for more than 50% of any working day shall receive a daily bonus of $15.00 for each day so assigned. Persons receiving additional compensation under Note 26 shall not also be eligible under this note.
